Declaration of Conformity

Compliance with Federal Code of
Regulation CFR 47 Part 15 Subpart B

Manufacturer: SpinetiX SA

Sonnenbergstrasse 9, CH - 6052 Hergiswil, Switzerland

Product: Hyper Media Player

Models: IBX410W

The undersigned hereby declares, on behalf of SpinetiX SA of Switzerland, that the above-referenced products, to which this declaration relates, have been found compliant with the requirement limits for a Class B digital device, pursuant to Federal Code of Regulation CFR 47 Part 15, Subpart B.

The operation limits are designed to provide reasonable protection against harmful interference in a residential installation: these devices may not cause harmful interference, and must accept any interference received, including interference that may cause undesired operation.

The testing was done in accordance with the appropriate measurement standards, and all necessary steps have been taken to ensure that all production units of these devices will continue to comply with the Federal Communications Commission's requirements.

The FCC requires the user to be notified that any changes or modifications made to the Hyper Media Player that are not expressly approved by SpinetiX SA may violate the user's authority to operate the equipment.

This certificate was first issued on March 20th, 2024, and remains valid for as long as the conditions laid down in the harmonized technical specification or the manufacturing conditions in the factory are not modified significantly.
